

JustServe Service Activity Guide

Valentines for Senior Citizens

Deliver Some Love. Make a Senior Smile.

Make Valentine's Day Unforgettable for Seniors. Cupid Crew, a heartfelt initiative by [Wish of a Lifetime](#), is focused on creating connection and happiness for older adults in the community. Cupid Crew is about more than just delivering a rose or card; it is about sharing joy and building meaningful connections. The time and creativity invested by the students are what truly make this initiative special.

Make a card

- It's easy to make a difference in just three steps:
 - Download your printable Valentine's Day card.
 - Decorate with a heartfelt message.
 - Deliver to an older adult or senior center in your community.
- [Link to sign up](#) as part of cupid crew and receive the digital downloads.

Delivering Donated Roses

- Clubs can reach out to local businesses to secure flower donations for delivery alongside the cards.
- Potential places to contact:
 - Grocery Stores
 - Flower Shops
 - Wedding Event Florists / Planners
 - Garden Centers / Nurseries

Phone Prompt:

"Hi, this is [Your Name] with [Service Club Name]. I'll be quick!

We're putting together a Valentine's Day service project to deliver donated flowers to residents in local assisted living centers as part of the Wish of a Lifetime's Cupid Crew. For many of them, Valentine's Day can be a lonely time, and we're hoping to bring a few smiles by letting them know they're remembered.

We're reaching out to see if [Business Name] would be willing to donate flowers. Our club members will deliver on Valentine's Day. We plan to deliver to [Name of senior center] and would need [number of flowers].

"There's absolutely no obligation, but we'd love to include you if you're interested. I'm happy to answer any questions or share details."

"Thank you so much for your time."
