Shoe Drive

Take a Step, Give a Step, Make a Difference

In communities around the world, millions of children and adults lack access to adequate footwear. Something as simple as a pair of shoes can protect feet from injury, prevent disease, enable school attendance, and support economic opportunity. Hosting a shoe drive is a meaningful way to gather gently used or new shoes and pass them along to organizations that distribute them directly to those in need or empower micro-entrepreneurs in developing countries.

You are free to run your shoe drive in the way that works best for your school or club. Please follow your school's guidelines for donation collection, safety, and drop-off procedures. Avoid including personal information on any donation labels.

Soles4Souls

SOLES4SOULS

Purpose: Collect both new and used shoes to distribute to people in need globally, and to support micro-enterprise programs that provide entrepreneurs with shoes to sell for income.

- Inspiration: Donated shoes can give children the confidence and comfort to attend school while giving families in other countries a path toward self-reliance.

Shoes for Orphan Souls

Purpose: Provide new shoes for vulnerable children around the world. A portion of donations is kept in the U.S. to serve children domestically.

- Inspiration: New shoes can boost a child's hope, health, and ability to participate fully in school and community life.

Shoe Fundraisers

You could also partner with organizations that collect used shoes as a fundraiser for your club.

- Be sure to do your research to find programs available in your area and choose one that aligns with your club's needs and school guidelines.
- These opportunities allow you to support global causes while keeping reusable shoes out of landfills. It can be a meaningful way to serve others and raise funds at the same time.
